

FIRST ZOOM VIDEOCONFERENCE

May 19, 2020

The April 2020 Probus Vancouver meeting was cancelled due to the Covid-19 pandemic. David Scott, President of Probus Canada as well as Brian Street, one of our members, encouraged us to use Zoom teleconference facilities for future meetings. At a meeting of the Board of Directors on April 21st the decision to proceed was approved.

The inaugural Covid-19 meeting held on May 19, 2020 proved to be a resounding success with about 150 members participating. The program featured Dr. Daniel Kalla as our guest speaker, on a most timely topic, "Pandemics, Then & Now" .

The success of this historical meeting was unquestionably due to the work of Jack Zaleski whose clear email instructions and reminders on the use of Zoom made it easy for members to participate.
